November 2005

## Next Meeting

Tuesday, November 29<sup>th</sup>  
7:30 pm

*Don't forget your "Bring'n'Brag"!*

Bart Simpson was one of the special guests at this years Annual Zone Meeting held October 23 at the Canadian Aviation Museum.

It's a Boat! It's a Plane! It's a Hydrofoamy! If you have not seen the clips on the internet, you cannot appreciate how these hydrofoils bomb around on a pond like a boat, and then with the right control inputs take to the air like plane! These would be perfect for flying in Lake Nadon at the field in the spring.

Instead of sending a printed newsletter by Canada Post, we can send you an email notice with the web site address where you can download the newsletter each month.
